SUMMER FESTIVALS AT THE CONSERVATORY

The Conservatory and private walled gardens set the scene for summer entertaining in Surrey. This year we're thinking all things festival as we prepare for a season of festival-themed fun in the grounds of one of the UK's most historic parks. Prepare for incredible entertainment, great food stalls and one unforgettable party.

The festival experience begins as you journey through the private outside space, where decorations such as hay bales and bunting create the perfect festival atmosphere.

In keeping with the festival theme, our exclusive caterer Create Food & Party Design has devised a range of festival-themed menus, which are best enjoyed

as guests soak up the sunshine and enjoy summer entertainment in the gardens.

Party the night away in the gardens, or venture inside where you'll find our resident DJ entertaining the crowds. Hit the dance floor and party the night away, or unwind outside and enjoy festival-themed entertainment as you make the most of the summer nights.
